

HONDA GROM SET FOR AUSTRALIAN MARKET

18/02/2016. The funky and compact Honda commuter that has taken the world by storm is coming to Australia.

The Honda Grom has wowed riders all over the globe with serious fun factor packed into a simple, lightweight design.

The popular pocket rocket is due to land in Australia mid-2016 and promises to offer an exhilarating machine that anyone can master.

The award-winning motorcycle boasts outstanding ergonomics that are all about fun.

Between its user-friendly design and unique styling, the Grom is sure to be a hit.

The punchy motorcycle will be available in Burning Red, Hyper Yellow and Eclipse Black when it hits Australian shores later this year.
